# Principal's Message

Welcome back to the new school year. We begin with 9 students – welcome to Isla, Zayden and their mum Michelle as well as Bailey and his dad Shannon.

Staff for the start of the term are:

Mrs Lewis - Mon, Tues and Wed

Mrs Schutz - Wed, Thurs, Fri

Sarah Tolhurst – Mon, Tues, Wed

Demi Schulz – Wed, Thurs, Fri

Sarah Connor (PCW) - Tuesday

Linden Calley (grounds) – Mon & Thurs

This term we are organising activities where we are interacting with other small schools. One activity is the small schools Sports Day in Week 10. I look forward to seeing as many families as possible at the Governing Council and Parent Club AGM's on Monday 19<sup>th</sup> February.

## NEWS

### Mrs Lewis

It has been a great start to the year with the children quickly settling into their learning routines. At the end of last year the students and I planted seeds in the garden beds and were excited to find that over the holidays several sunflowers had grown tall and flowered. We have two watermelon plants growing as well, which we can't wait to eat! In HASS we started studying Geography and looking at the globe. We created an abstract geometric design painting using the elements of shape, size, colour and placement in Art. We are loving our current class novel 'Charlie and the Chocolate Factory' by Roald Dahl.

### Guess what I learnt this week?

I am able to read and write numbers in the thousands so easily now and I can reconstruct 4 digits to make 11 different numbers.

~Alyssa

### Mrs Schutz

Welcome to Term 1 everyone! A special welcome to our new students Bailey, Isla, Zayden and their families. I am very excited to be working with the students on some awesome topics. In PE we will have lots of fun looking into 'Games Over Time'. In Design and Technology we will be studying 'How does your garden grow?', we will tie this into our Science "Is it alive?". The students have already tried some new things, one of them being a variety of herbs and spices. We used touch, smell and taste to figure out what herbs and spices we were trying and which categories they fit into. This will lead us into designing and making our own herb garden.
