Principal's Message

Congratulations to our Year 5 students for completing their NAPLAN online testing. They displayed perseverance and determination to complete them to the best of their abilities. The data we receive will help us to monitor and enhance the educational outcomes for our students.

We are looking forward to participating in the small school's sports day in 2 weeks time. This is being held at the Nuriootpa High School oval, starting at 9:30 am. This is a wonderful opportunity for our students to interact with a range of other students whilst competing in games and events. All families are encouraged to attend and cheer on all the children.

This week we farewelled Brayden, Ashley and Mickey. The triplets have been attending Robertstown for the last 2 weeks and now return to their regular school. They will be missed!

This week we welcome our new class teacher - Carolyn Bartholomew. She comes to us with a wealth of experience and expertise that she is eager to share with everyone. She is currently working on Wednesdays and next term will work Monday-Wednesday.

NEWS

Mrs Lewis

This week in Maths we have studied volume. The children constructed a cubic metre.

On Tuesday, we cut the sunflower heads. We're drying them in the shed and will harvest the seeds soon.

In Art, we were inspired by the front cover of the 2024 Adelaide Fringe Program and created our own Musical Animal Collage.

Guess what I learnt this week?

I have been learning my times tables using pictures, it is fun!

This is the cubic metre we made to measure volume.

Mrs Schutz

Another super busy two weeks! In our Science topic we have been analysing what characteristics determine whether something is alive or not. We looked at the movement of plants and animals, in particular the Venus Flytrap, Water Lilies, Sunflowers and Mimosa's. In Health we studied the difference between heritage and culture, did you know you can belong to more than one culture? On Friday's we have been using Typing.com to learn and better our keyboard skills. We also love doing handwriting, we are producing some very neat work!

Zayden, Ashley, Jaymes, Brayden, Alyssa, Louisa, Philippa and Nicola with the sunflower heads. We can't wait to collect the seeds.

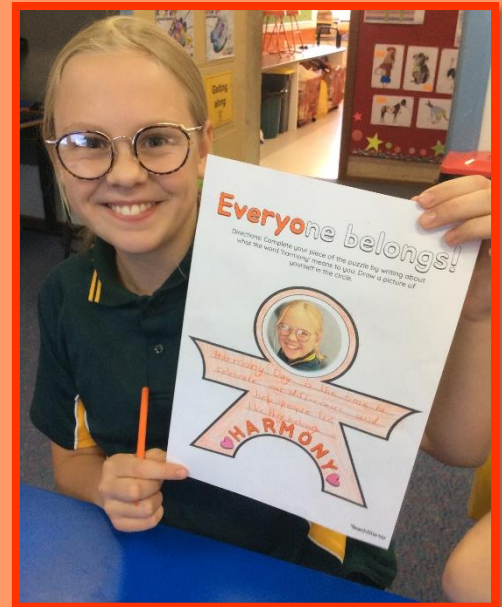

Today we celebrated Harmony Day! We made food from around the world, played different games, read stories and discussed what Harmony Day means to us. Everyone belongs!

Isla and Nicola were excited to try some yummy pavlova!

Jaymes and Amia using team work to make 'Bangers and Mash'.

Louisa thinks Harmony Day means we celebrate our differences and help people feel like they belong!
