Crazy Hair Day – SRC  
Fundraiser

Last Day of Term 1 –  
Early Departure 2:30pm

### TERM 2 WEEK 1

**28<sup>th</sup> April**

First day of Term 2

Dear Parents and Community,

As we move through Weeks 6 to 9, I am delighted to share some of the exciting events and activities happening at our school.

NAPLAN Success: Our Year 3 and 5 students completed their NAPLAN assessments in Week 7. Congratulations to all students for your efforts across NAPLAN week. Our new laptops made the online process smooth and efficient.

Harmony Day: We celebrated Harmony Day with a shared lunch and activities focused on learning about different cultures and embracing our differences. It was a wonderful day of unity and understanding.

CREW Sessions: Our CREW sessions continue to be a highlight twice daily, focusing on oral language, social skills, and critical and creative thinking. Students are eager for greater challenges and are keen to develop their skills further.

Sports Day Preparation: Students are enthusiastically preparing for the upcoming Small Schools Sports Day, practising events and perfecting their new 2025 War Cry, developed by our SRC members.

Literacy and Numeracy Rotations: In Week 7, we began our literacy block and numeracy rotations. This initiative has been well received by both staff and students, providing targeted support through focused learning activities.

Family 3-Way Conferences: Students are diligently preparing for their family 3-way conferences, reflecting on their achievements and setting goals for the future.

Class Dojo Introduction: We introduced Class Dojo in Week 7 to capture and celebrate positive behaviour for learning. Students and staff are actively sharing positive feedback, recognising and appreciating the efforts of themselves and others.

I am incredibly proud of our students' growth and enthusiasm. Thank you for your continued support and involvement in our school community.

Warm regards,

**Bronwyn Whitelaw**  
Principal

# News from Mrs Lewis

The children have been working on the garden beds every Thursday. Firstly there was a lot of weeds and old plants that needed to be removed. Next we put sheep manure over the beds and raked it in to fertilize our soil ready for planting. Finally we have placed a thick layer of straw mulch over each bed. Last Thursday the children planted some potato "eyes" and we plan on sowing broad beans and carrots next week. We are looking forward to all the yummy, healthy foods we will grow in our garden beds this year!

## Science Experiments

The students conducted their own science experiments and tested different chemical reactions. They had to complete their hypothesis and check if they were proven correctly.

# Harmony Day

We celebrated Harmony Day enjoying a lunch together consisting of foods from different cultures around the globe and crafting some very cool activities. Everyone belongs.

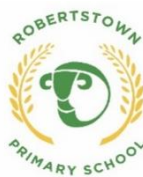

## KFC Easter Eggs-Citement

The local kids club "Kids For Christ" (KFC) run by the Lutheran Church is holding their annual Easter event on **Friday 4th April** at the St John's School Hall, Eudunda. The timeframe is 3:10pm onward, for a 3:30pm start, going until 5:30pm. There's also an optional extra half hour of games until 6:00pm for those who wish to stay. Come along to celebrate Easter and join in lots of eggs-citing Easter games and activities. Cost \$5 per child. Bookings are needed by Wednesday 2nd April. Contact Chris Doecke on 0488 047861 for bookings and enquiries. All primary school and kindy aged children are welcome and younger pre-schoolers may attend with a parent accompanying them. New children are especially invited.

You can order by ringing  
the school or visit the  
Robbie PO and fill out  
the form! Thanks so  
much for your support!

U16 - 2009 - 2011 (\$155)

Seniors - 2008 - 🏆 (\$200)

## World Autism Awareness Day!

Here at Robertstown PS we are excited to join the global community in celebrating World Autism Awareness Day on April 2<sup>nd</sup>.

This day is dedicated to increasing understanding, acceptance and diversity of people with autism and their perspectives. As they say, if you have met one person with autism, you have met one person with autism!

It's a wonderful opportunity for us to share our experiences and learn more about how to support our students and families who are part of the autism community. Let's work together to create an inclusive and supportive environment for everyone.

Thank you for your continued support and understanding.
