Last Friday morning the children went on a bus to Eudunda Area School to join in with Sports Day. The day was cold but all the children were fantastic, participating in all events ranging from sprints, hurdles, team games (egg & spoon, tunnel ball, obstacle race and sack race) as well as Frisbee discus, vortex javelin and rubber chicken throw.
The Upper Primary children had a go at all the ‘secondary’ events – discus, high jump, long jump, sprints and hurdles. Congratulations to Peyton Kotz (pictured) who was Runner-up Primary Female. Thanks you to Eudunda Area for sending a bus to collect us and bring us back.

Last Thursday the Preschool and School children went to the Burra Creek. We had a great day exploring the creek and surrounds. We caught yabbies and other small water creatures, we did bush craft and made teepees.

NEWS FROM THE CLASSES:

Lower Primary
We had great fun at the Burra Creek and at Sports Day. We are looking forward to doing activities for Easter and can’t wait for the Easter break.

Upper Primary
Over the past two weeks we have been kept very busy with our visual work of Spelling, Maths, Science, HASS, Tech, The Arts and PE. But some of our highlights have been: Sports Day, making cakes, going to the Burra Creek, making chickens with flapping wings and finding out how to survive in the desert.

Do you know that if you pick leaves and put them into a plastic bag, water will come out of the leaves and you can drink this to survive if lost?

Now we are starting to get excited about Easter and from tomorrow on, we will be doing Easter activities. We would like to take this opportunity to wish you all a very happy and safe Easter.
